- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue and event and to attend any safety briefing held for the event.

Check	Check your equipment and clothing for living organisms. Pay particular attention to areas that are damp or hard to inspect.

Visiting boats will be randomly checked on arrival and if found to be in a condition that causes concern, will not be allowed to be brought on site. All sailors & rib drivers will be expected to sign a statement to confirm that they have Checked, Cleaned and Dried their boats before arriving at RSC. This will be normally included with the race entry form or the rib registration form that must be signed before racing starts.
